

## Continuing Medical Education for the AIMS Center Online CoCM Training

Some AIMS Center Online Collaborative Care Trainings can be taken for Continuing Medical Education (CME) credit. Eligible trainings are included in the table below with corresponding credit hours.

Course Title	Credits
Online Collaborative Care Training for the PCP Champion	2.75
Online Collaborative Care Training for the Psychiatric Consultant	2
Online Collaborative Care Training for the PCP	2

### How to Claim CME

To receive CME, participants must complete the online training, receive a minimum score of 75% on the subsequent CME quiz, and complete a brief evaluation survey. Participants will then be emailed instructions for claiming CME.

### Certificate Fees

The AIMS Center will cover the CME certificate fees.

### Estimated Time to Complete

Participants may complete one or more courses depending on their clinic role and professional interest.

Course Title	Hours
Online Collaborative Care Training for the PCP Champion	2.75
Online Collaborative Care Training for the Psychiatric Consultant	2
Online Collaborative Care Training for the PCP	2
